

Ways to conserve water:

- Turn off the tap when washing dishes.
- Upgrade to air-cooled appliances.
- Run the dishwasher & clothes washer only when full.
- Cover your pool.
- Plant when it is your area's rain season.
- Water the lawn in the morning or evening.
- Clean the driveway with a broom.
- Collect rainwater and use "grey" water.
- Shower instead.
- Turn off the tap when brushing teeth.
- Look for leaks.
- Water small patches of grass by hand.
- Only use water in the kettle for one cup at a time.
- Use a refillable water bottle (not plastic).
- Soak pots and pans instead of running them under the tap.
- Use a car wash that recycles water.
- Promote water conservation.
- Wash clothes in cold water.
- Reuse towels, especially in hotels.
